

New Build Apartments San Pedro del Pinatar

New Build Apartments San Pedro del Pinatar These unique apartments are set to be constructed in the heart of San Pedro's most desirable residential area — New Castelar. In total, four apartments will be built; two on the ground floor with three bedrooms, two bathrooms, and a large terrace with private pools facing south. The apartments on the second floor will provide two bedrooms, two bathrooms, two balconies, and the private roof terrace with a private pool, pergola, and fully-equipped outdoor kitchen. All apartments will boast a high standard of finish with Bosch white goods, electric shutters for all windows, air conditioning included, and the option to select materials for the kitchen and bathrooms. *There is one top floor apartment remaining - €295,900 * Both Ground Floor Apartments are also remaining: €295,900
