

Key Ready New Build Villa in Pilar de la Horadada

Key Ready New Build Villa in Pilar de la Horadada This is a luxury, single level, well designed new build home in the popular area of Pilar de la Horadada which is available key ready, and has been built by an established developer from the local area. Built on a 355 sqm plot, it offers a build size of 120 sqm consisting of three bedrooms and two bathrooms plus a modern, high end, open plan kitchen with dining area and lounge which opens out onto the lovely private garden with a decent pool and terrace. There's also a summer kitchen plus off road parking with gated entry. The property comes furnished with double glazing, fully furnished/fully equipped kitchen, LED lighting and pre-installed ducted air conditioning. It's close to both amenities and the beach.
