

Modern New Build Villas in San Javier

Modern New Build Villas in San Javier These modern new build villas are situated just outside the town of San Javier, in the glorious region of Murcia, and they are just a short distance away from amenities and the beach. With a choice of designs available starting from €349,900, the properties will offer a minimum build size of 100 sqm, on a plot of 177 sqm, along with a well designed open plan lounge/dining area and kitchen, plus three bedrooms and two bathrooms. Outside, there's a private pool and terrace area. Extra features include quadruple glazing, electric shutters in the bedrooms, fully furnished kitchen with Miele appliances, LED lighting and ducted air conditioning from Fujitsu.
