

New Build Villas in Santiago de la Ribera

New Build Villas in Santiago de la Ribera - These new build villas are situated just a short drive from amenities and the beach, plus are around 30 minutes drive from Murcia Airport and just under an hour from Alicante. There is a choice of two models, semi-detached and detached with prices starting from €355,000. Both models will consist of a modern, open plan interior with kitchen/living space, three bedrooms, three bathrooms and access to a terraced area with a private pool. The detached villas also boast a solarium off the main bedroom. Quality features will include: motorized aluminium blinds, built in wardrobes, installation of major kitchen appliances, ducted air conditioning throughout, video intercom and pre-installation of a heat pump for the swimming pool during the colder months. Pictures are of the show villa, and include both the semi-detached and detached models, so please contact us for further information.
