

Exclusive Residential Project in Pilar de la Horadada

Exclusive Residential Project in Pilar de la Horadada This is an exclusive residential with significant upgrades in the design and comfort of the houses. There are 20 modern, first quality, apartments available, with a mix of either two or three bedrooms and two bathrooms. The properties on the ground floor come with a terrace/garden area and those on the top floor come with a solarium. The complex offers a lovely communal area to include a large pool and garden, plus there's a storage area for bikes, as the area is very popular for cycling all year round. Properties will be built to the highest of modern standards, and be pre-installed for ducted air conditioning, along with kitchen appliances, LED lighting and underfloor bathroom heating. A parking space will also be included. Its in a privileged location, just 15 minutes to the beach by bike, and within walking distance of the town centre and amenities. Prices start from €214,900
