

New Build Apartments in San Miguel De Salinas

New Build Apartments in San Miguel De Salinas Ideally situated in the popular resort town of San Miguel de Salinas just a short drive from the beaches at Punta Prima, La Zenia, Cabo Roig and Torrevieja is this lovely new build development, where apartments will start from €109,900. Surrounded by green & leisure areas, including being close to a range of golf courses, each of the apartments will have an open plan lounge/dining area and kitchen plus two bedrooms and two bathrooms. You'll also be able to choose from a ground floor, first floor, second floor or third floor property with the views getting better, the higher up you are. All properties will also feature a balcony or terraced area depending on which floor you are on. An allocated parking space is also included. Extra benefits of the apartments include compact blinds, fitted wardrobes in the bedrooms, pre-installed ducts for air conditioning and a fully furnished/fully fitted kitchen. The complex will also feature a communal pool & garden area, plus it's close to a range of amenities, bars and restaurants. A storage room can also be purchased at an additional cost (approx €4,500).
