

New Build Fully Equipped Apartments in Murcia

New Build Fully Equipped Apartments in Murcia Phases Three, Four and Five have just been released on these New Build Apartments in Murcia, with Phase Three and Four situated just two minutes from the centre of San Pedro Del Pinatar, and Phase Five situated in the small town of Mar de Cristal, close to La Manga. There is a choice between top floor homes which come with a large solarium and outdoor kitchen or ground floor homes which have a spacious terraced garden area, and all homes will offer three bedrooms/two bathrooms, and an open plan lounge/dining area & kitchen. For residents there is a lovely community area which includes a well maintained pool, garden area and Jacuzzi. Prices start from just €225,950 and all phases are set to be completed in December 2022.
