

Well Maintained Three Bed Villa Orihuela Costa

Well Maintained Three Bed Villa Orihuela Costa Laid out on 2 levels with three double bedrooms, 3 bathrooms, open plan kitchen, lounge and dining area, this is a exceptional corner villa with a large garden area including outdoor kitchen facility and barbecue, to the side of the property. The villa is well maintained to a high level with many extras included. All the windows are double glazed and the front terrace is a lovely private area in which to relax. This property includes a very large basement garage area accessible from both inside the property and outside. Being built on a large plot, there is ample space for a private pool or just to use as it is for outdoor dining and relaxing. Laguna III development is located on the Coast of Orihuela, Playa Flamenca. An established residential complex with a beautiful communal swimming pool.
