

Beautifully Presented Townhouse San Pedro Del Pinatar

Beautifully Presented Townhouse San Pedro Del Pinatar This Town House is beautifully presented, it also features some lovely extras and with attention to those little details that add comfort. It's situated within walking distance to the seafront area, a local park, the town of San Pedro del Pinatar and also the lovely beaches. You enter the property through the front terrace, which offers lots of space for enjoying the sunshine and eating outdoors or alternatively for off road parking if you need to lock up and leave. The light and open plan lounge dining room feels spacious. Also downstairs you have the shower room with w.c. The separate fitted kitchen including Fridge Freezer, Oven and Hob. This then leads out to a handy utility storage and laundry area complete with laundry Washing machine and dishwasher. Upstairs, you have the two Double bedrooms with fitted wardrobes and the larger of the two bedrooms has the benefit of the sunny balcony. There is the family bathroom with bath and shower over. Upstairs even more outside space and you have a private solarium as well as additional storage space. The additional feature is that you have use of the lovely communal pool. A lovely example of this style of property in a good seafront location, near to the Flamingo lakes and beaches of the Med and the Mar Menor.
