

Modern in the Heart of San Pedro Del Pinatar

This is a rare find. A modern villa overlooking a park area in the heart of San Pedro del Pinatar. The property is 1 level and consists of 3 bedrooms and 2 bathrooms, 1 of which is an en-suite. The solarium offers beautiful sunset views over the park's palm trees. There is a kitchen with awning over the solarium, perfect for entertaining. The kitchen and lounge are open-plan with large sliding windows which brings the pool area into the property. There is also climate control throughout the property, an alarm system and heated pool with built-in jacuzzi. Extra storage has been built in too. The Salinas of San Pedro is minutes away as are the beaches of both the Mediterranean and the Mar Menor. Walking distance to all amenities.
