

Frontline Golf Apartment Las Terrazas de la Torre

Frontline Golf Apartment Las Terrazas de la Torre Las Terrazas de la Torre is a residential complex that comprises apartments and penthouses around an 18-hole golf course designed by Jack Nicklaus. Situated just a few kilometres from the best beaches of Mar Menor and near the city of Murcia, Las Terrazas de la Torre is the ideal place to explore all the corners of the Murcia region and its wide variety of bars, restaurants and entertainment facilities. This complex offers different types of properties designed for all tastes: Mediterranean-design apartments and whitewashed walls of one, two and three bedrooms, standing out for their fantastic location directly facing the golf course and surrounded by big swimming pools and private gardens two-bedroom penthouses, located in blocks of four floors with steps up to spacious terraces that offer excellent views of the golf course and apartments with private gardens and independent access of 2 and 3 bedrooms, situated on an exclusive "island" with views over a large artificial lake and the golf course and surrounded by green spaces. All housing boast outside parking spaces. As well as a fantastic desert-style golf course, this complex offers a large amount of spacious green areas and parks. Additionally there are numerous communal swimming pools. In the centre of the complex you can find the Club House Bar and Restaurant, the Golf Pro Shop and a supermarket that is open 7 days of the week. The complex can be reached easily by road and is just 15 minutes from the International Airport of Murcia-San Javier and one hour from the Alicante-Elche airport.
