

### Amazing Villa in San Pedro Del Pinatar

Amazing Villa in San Pedro Del Pinatar Paramount Properties is delighted to offer this amazing Villa in the heart of San Pedro del Pinatar. This property was completed in 2021 and is of showroom quality. The property has an extra builder's extension, adding another floor and solarium with outdoor kitchen included. The pool has been extended in length and depth too with thermal cover and heating system. The property has been stylishly furnished at a high end and has hardly been touched. Air-conditioning runs throughout this property giving you total climate control. The bathrooms have underfloor heating. There is an electric gate entrance to off road parking. There are many more specifications too many to mention here, but available on request. If you are looking for a completed new Villa at a high spec then this viewing is highly recommended!
